

Half Term Fun!

Wellbeing Bingo

It is really important that we make sure we look after our wellbeing – it's all to do with how we think and feel. We are in a period of time where life can feel a bit tough, and we might miss people or things we used to do. It's really important to take time to look after ourselves physically, mentally, emotionally and spiritually – basically to look after everything that makes us who we are! If you are struggling at the moment, talk to someone you trust.

We have come up with some ideas for different challenges that you could take on during half term to help look after your wellbeing!
