

Easter Family Devotionals – Palm Sunday

Prepare

Invite Jesus to speak to each one of you afresh today, as you explore the events of Palm Sunday, and ask Him to bless your time together as a family.

Icebreaker

Have you ever found yourself in a crowd? Where were you? What was happening? What was the atmosphere like? How did it make you feel?

Engage

Reflect

What is your favourite miracle of Jesus? Why?

What do you think it would have been like to have seen Jesus perform that miracle?

What do you think it would have been like to be in the crowd as Jesus arrived in Jerusalem? What would people be saying? What would people be doing?

What do you think Palm Sunday might have looked like if it had happened today?

Pray

You will need: paper, pens

Cut out palm leaves from your paper, on each leaf write a word of praise to Jesus. Lay them out making a path through the middle of the room. Together walk along the path you have just created calling out your praises to Jesus.
